DIANE FABER

10 Jahre.

Dear  
 I'm glad I got to  
 know you better this  
 year. You're a real nice  
 kid. Take care of yourself this  
 summer. See you next year.

Diane,

B-ball really  
was a drag, with my  
son knee! Haven't seen  
you around much, well  
I guess that's your  
loss. Good luck next  
year. See you! '79

I have been  
 thinking about  
 you all day.  
 You are so  
 beautiful &  
 smart.  
 I love you  
 so much.  
 Your friend,  
 Tim.

Done -  
3 years down -  
1 to go! I'm sorry  
you missed the B. ball  
party this year, but next  
year should be pretty good,  
too. Have a great summer.

Just think, only one  
year to go - I can't  
wait. Have a terrific summer  
and I'll see ya next year

Dot father

Diane -

Well, I got to  
see a lot of you this  
year through Acct. and  
Amer Lit. Now that we've  
got only one year left  
lets make the best of  
it. Have a great summer.

Dianne  
It was fun  
being in accounting  
with you. (even though  
you're about 5 chapters  
ahead of me.) Have  
a nice summer. Debbie

Love,  
Diane,  
Book Luck  
Sweet & you are  
Senior. Stay in  
love / for love

I saw you at the summer. It  
was nice to see you again.  
We lived through the whole dang year!  
Take care of school. We really had some  
good times. You were a big help  
when I had problems with class assignments.  
I hope you have a great summer &  
I'll see you next year!

Will we in  
a matter year. I promise  
fun but summer will be  
better. Hope to see you around  
Love,  
John Fritz

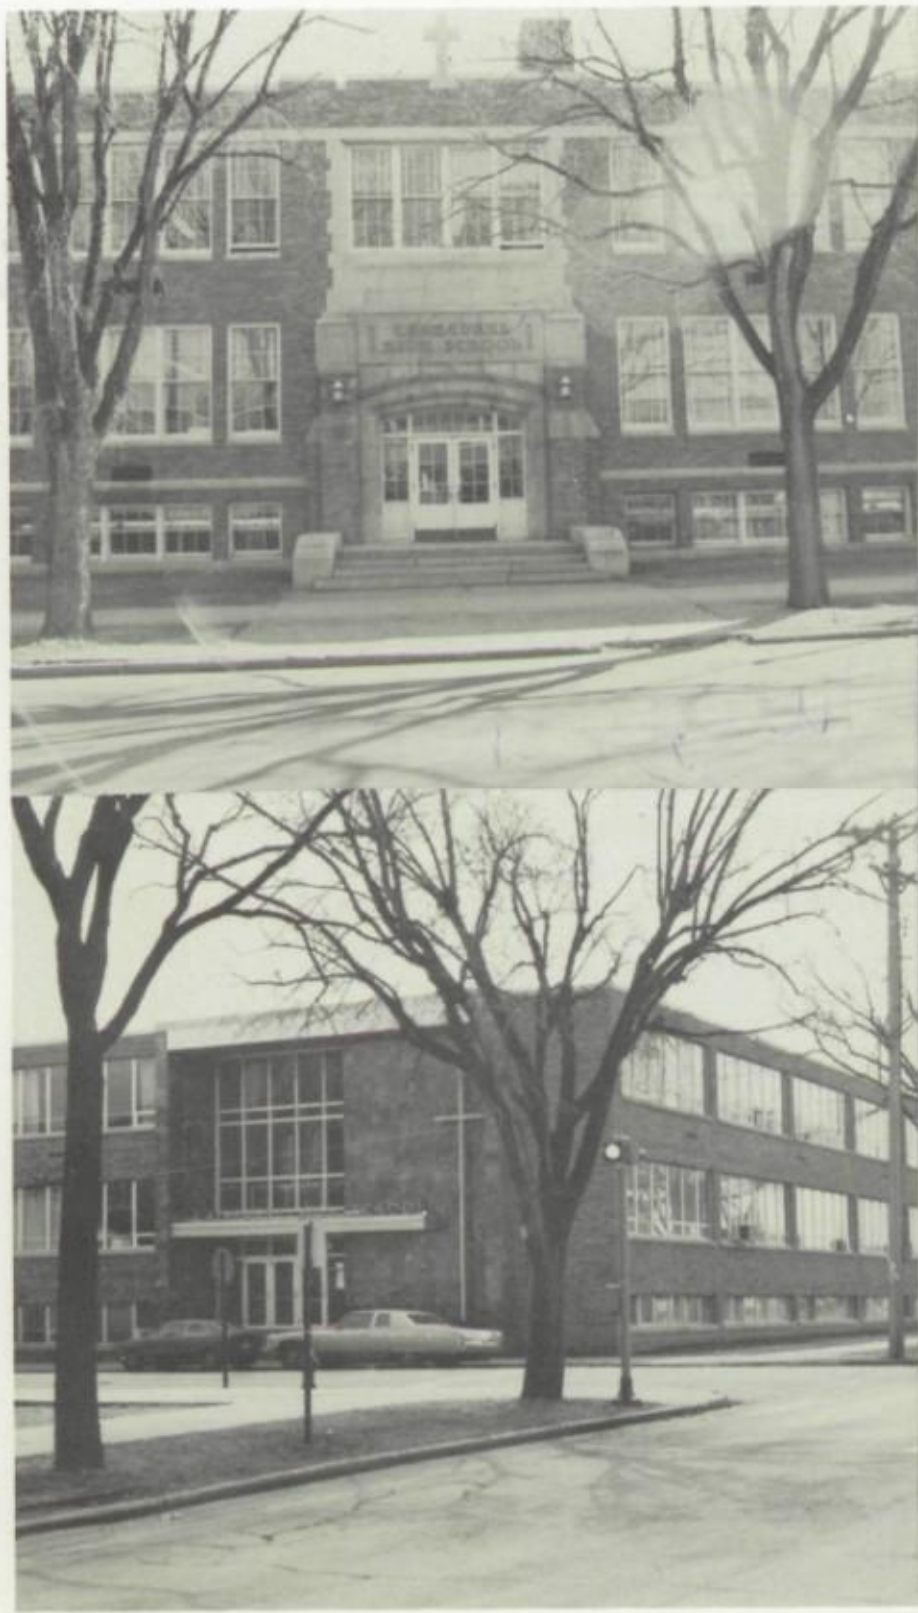

Dianne,  
It looks like we've  
made it through another like couple  
years. Glad  
Surprise. Take  
this summer. Best wishes  
see ya, Debbie

well after all the years we've  
been through together - another one's down  
the tubes. Maybe I'll see you around this  
summer - or next year other wise.

Diane,  
 what a fun time  
 we had in Advanced  
 Algebra!!! I'm so  
 glad it's over!  
 No more Rita yaaahh  
 I hope you have a  
 super-duper summer  
 & I hope to see ya!  
 Take care &  
 have a great one!  
 Love,  
 Marcia

Diane - wasn't it a  
 Wow! - great, fantastic etc.  
 super year!! It went soooooo  
 fast though! But who's  
 complaining? Maybe we'll  
 have a few more classes  
 next year - OK? Don't  
 over forget the nutty  
 times in Human!  
 See ya 'round

 accounting was great  
 fun & I hope you enjoyed  
 it! The year went so  
 fast but that's because  
 of the summer. See ya  
 next year!

Diane,  
 You helped make Algebra class 10 Hrs  
 more fun. Thanks for all the help  
 you gave me in the class  
 throughout the year. Wasn't it a blast  
 taking tests we never even studied for.  
 Have fun this summer + Call me, okay.

Let ME talk to her! !

When looking back over the happenings of the year 1978-79, many thoughts may come to mind, because this was definitely a year of change and excitement. It was a year full of memories . . . Memories, never to be forgotten.

The changes hit us as we walked in the doors on the first day of school. We went to holes in the walls where lockers had once been, and were told that they had been relocated in the top floor of the South building. Along with this, we also learned that Senior Hall had been discontinued. Sr. Marice, our new Vice-Principal held court every day at 3:15, for all of those who were assigned to "Detention". The Library became a place of supposed

silence and those who didn't adhere to this rule were told, "If you want to talk go to the cafeteria."

The Frosh lived up to their reputation which was proved by the back of their float which read, "Frosh 79".

As always, CHS proved to have a wonderful group of Athletes, many of which represented us at the State Tournaments. In Tennis, Theresa Spiering finished a fantastic fourth. The Volleyball Team bounced back from a first round loss to the eventual state champs and captured Consolation Honors and the Swim Team sent its "Deadly Medley" down to Cook Hall.

Paul Chmielewski wrestled his way to a well deserved 2nd place and Paul Heckman took 12th place in Skiing. The Gymnastics Team capped off their 4th undefeated season with a very memorable 3rd place, as four girls also placed in individual events.

CHS received visitors from the East in the form of Mrs. Calasanz, who brightened up the library and the "No touchy sumo wrestlers" who brightened up our lives.

Pep Fests provided us with many a laugh as the winter coaches and captains proved that they too have other talents. The coaches gave us their own rendition of the school song and the captains portrayed the Crump family with style.

Miss Pierson changed her name and became Mrs. Steven Schultz.

The Blues Brothers appeared at the Sno-Daze Talent Show and were given a rousing welcome. They were an instant hit. Sno-Daze lived up to its name and the dance had to be rescheduled as many people preferred the comfort of their homes to the coldness of the blizzard.

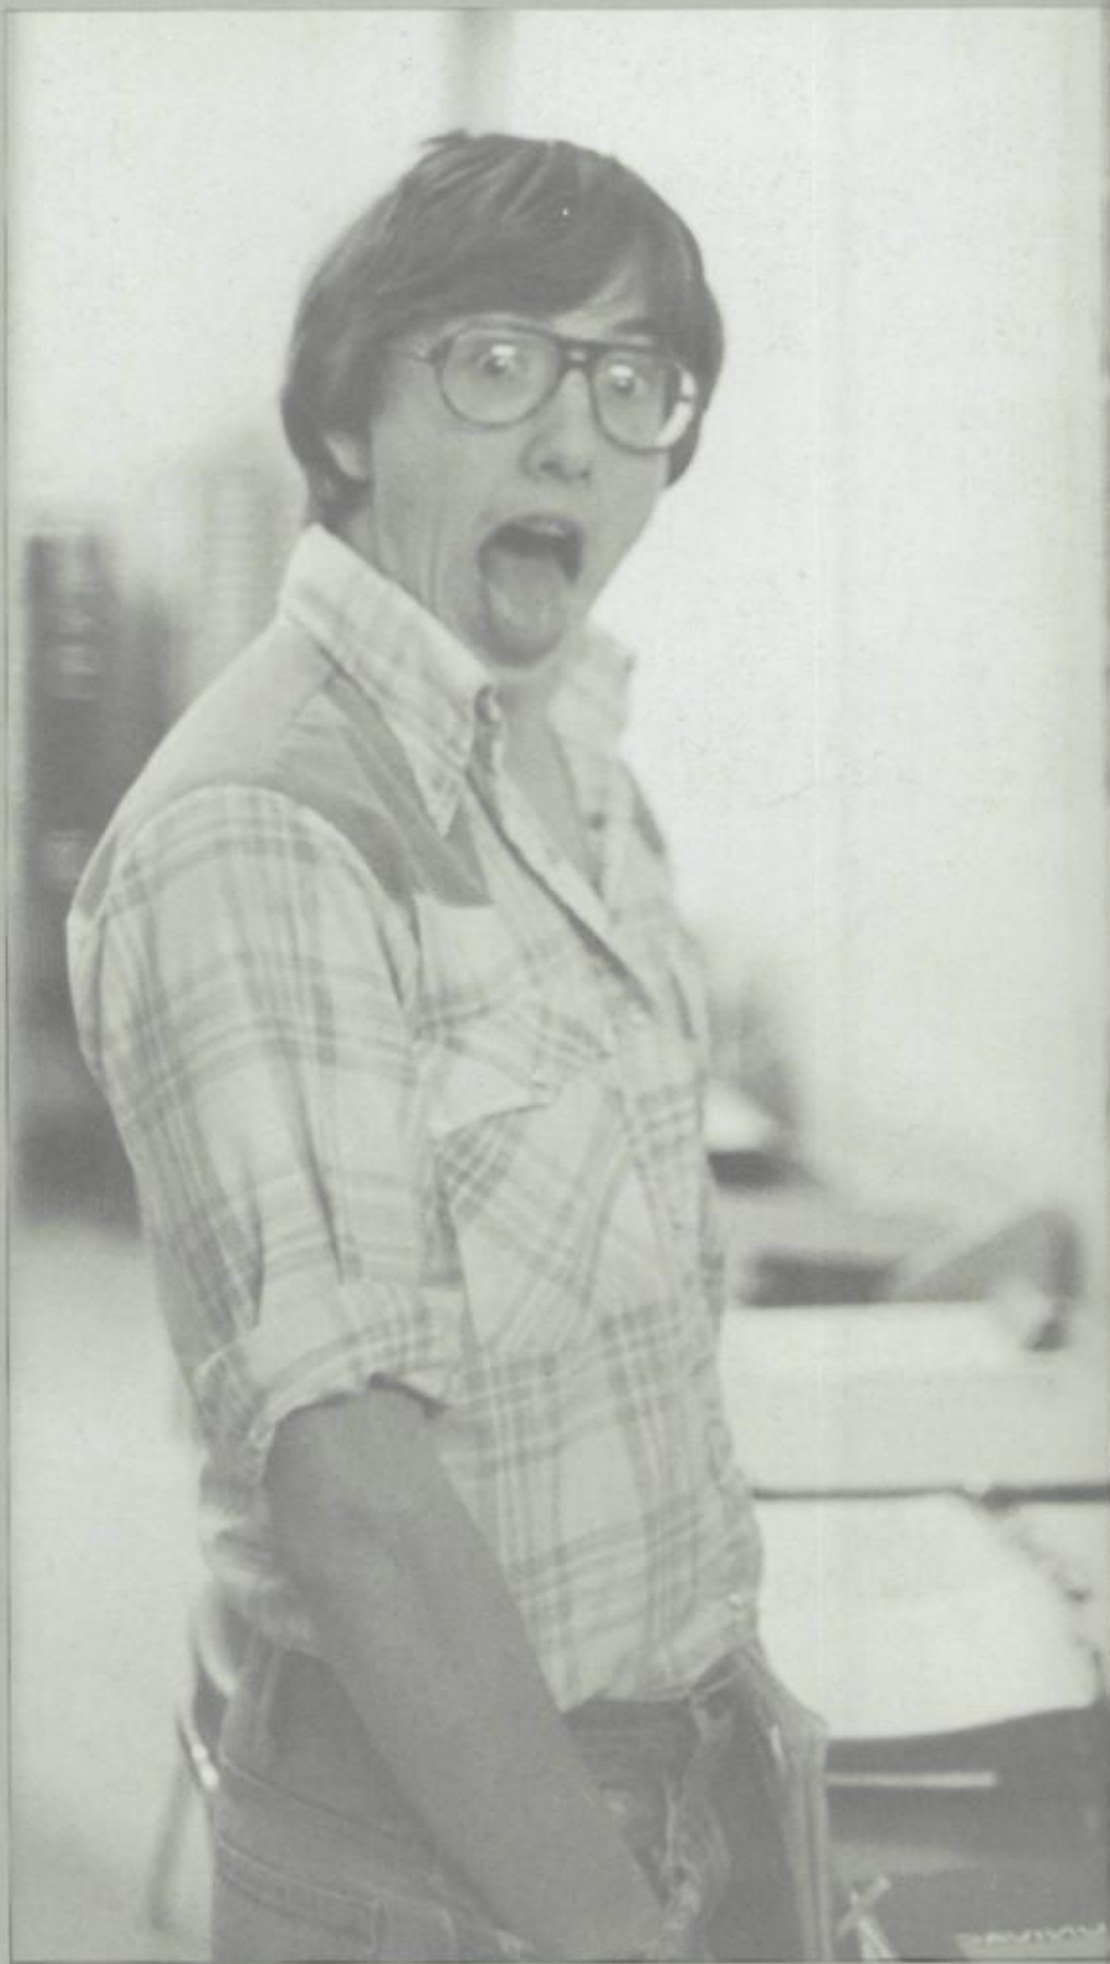

The Band confirmed that they too could endure and they did. For 25 hours, the band resided in the cafeteria to raise money for their trip to Canada this summer.

Many of us felt that Winter overstayed its welcome and we rejoiced at the first signs of Spring. "The Crucible" was performed superbly as the year drew to a close.

Throughout the year, we've experienced many changes, but like they say, change indicates progress and we certainly can say that this year was one of progress. It was a year of beautiful memories, memories that will remain with us always.

Diane,  
Well this is the  
Section which you'll

Exciting! It was nice having

What? ! You're asking me to take my hat off?

In returning to Cathedral for our final year, the senior class of '79 realized that the year ahead would bring many memorable experiences and also many challenges which would come from the new responsibilities we have taken on. As we took the positions of captains, editors, officers, and "Seniors", we knew we must fulfill the qualities of a leader. Along with fulfilling these qualities we took time out to enjoy our last year at C.H.S. to the fullest. (This was our easiest performed and most enjoyable task of the year!)

Homecoming started off the year on the right foot with wins in the football game and the senior girl's soccer game. At the halloween dance the seniors once again supplied the person with the best costume, this year it was King Tut. As the winter months set in so did the holiday spirit. A lot of seniors picked names for Kris Kringle, some even went so far as to pick dates.

After what seemed to be a tremendously long winter, spring brought severe cases of senioritis. Spring also brought plans for the junior-senior prom and thoughts of graduation. The class of 1979 was a close knit group and the times they have shared together will be memories cherished always.

Oh, You're just jealous.

My shoes do not look funny!

I can't stand that stuff.

The twinkle in your eye and the smile on your face are there because...

Diane,

We have had a lot of fun times together at all those football games and camp. They were such a blast and the memories will never wash away.

I hear you work at Holiday Inn and hope you go far. Have a fantastic summer and I'll see you. Just think, next year we'll be seniors and bigger and better than everyone else.

God Bless,  
Lynn Marguardt

The Juniors . . . They've been through it all. Togas, Migons, the soccer team, Cumbo and Blochs, and the Blues Brothers were just a few of many short-lived comedies. They've been through American Lit papers, "Bernies Word", and last but certainly not least, Accounting with Mr. K.

The Sophomore class started off the year right by designing and constructing the first place Homecoming Float. It was a year of worry, practice, planning and try-outs. They acquired drivers licenses, not always on the first try but eventually, the prized cards were in their possession, along with the keys. This new form of transportation enabled them to frequent Waldo's after sporting events, dances, whenever there was nothing better to do. The many parties are forever imprinted in the minds of the participants. The Sophomores took charge of Sno-Daze and despite the cancellation of the dance, their second attempt proved to be successful. In the pyramid building contest, their 15 person pyramid came out on top. Athletics filled a major share of their lives as many of the Sophomores played important roles on Varsity teams and provided leadership on Junior Varsity. Becoming an upper Classmen is just one step away.

I dare You to get near me!!

As the year wore on the Freshmen became well acquainted with the world of CHS. After surviving initiation and all the other fun things that freshmen encounter the first few weeks of school, they started becoming a unique group: the freshmen class . . . Well, cleaning up, attending all the wonderful dances, taking the Metro (even to Homecoming?!), freezing their toes in winter, congregating at Sammy's and working together in backscheduling, were just some of the freshmen activities.

Have courage to be ignorant of a great number of things, in order to avoid the calamity of being ignorant of everything. To know how to grow old is the master work of wisdom and one of the most difficult chapters in the great art of living. Never forget that you are a part of the people who can be fooled some of the time. There is nothing permanent but change. The best way to success in life is to act on advice you give to others. The aim of education is to enable man to continue his learning. Life is like a ladder. Every step we take is either up or down. Look ahead with great happiness.

What's the first thing that comes to your mind when the words 1979 Administration are said? Well, for most of you, probably a bright, new face that was added this year — yes, Sr. Marice. Sr. Marice moved into the Vice-Principal slot and surely brought new spark to the administration. Many wonderful assemblies, dances, pep fests, and numerous other things were experienced by CHS this year only through the generosity of the administration. Long hours of hard work were put in by these people and they deserve a round of applause for their efforts.

# Board, Staff and Administration

Where do our tuition receipts and our lunch tickets originate? Why, in the main office, of course. The secretaries are kept running with administration, faculty and student demands. But, the secretaries don't reside solely in the main office. The business office and the monetary problems keep the secretaries busy too. The combined efforts of the secretaries results in a smooth, well-run school, something many of us never took the time to consider. Denise Weis and Ann Van Nurden proved to be able replacements, taking over their positions with less than half the year remaining.

Sr. Charlene, Mrs. Calasanz, Mrs. Larson, Mr. O'Fallon

With the extraction of lockers, and the addition of a new wall, the library and the A-V Center are in the slow process of becoming one large resource study area. Along with the new look, were the new personnel and policies. Mrs. (Red) Larson, Mrs. Calasanz, and Sr. Charlene with Mr. O'Fallon joined together in enforcing the strict regulations. Complete silence was the most difficult and controversial of these to carry out. the A-V Center was kept busy with faculty orders and trying out the new video taping equipment. It was a year of change for these two areas.

# Library & A-V

You've got the right to remain silent . . .

Jodee finally found someone shorter than herself

Mrs. Pflepsen

Who is that smiling face that greets you as you race in, hoping that all the books, pamphlets, whatever haven't all been checked out yet? Why, it's Mrs. Pflepsen, of course! She is in charge of seeing that us needy, procrastinating students can still read the assignments, or study for the tests, the day before they are supposed to take place. She's also there for the students who do their work when they're supposed to. Mrs. Pflepsen not only helps the high school students but is in charge of all the John XXIII students that happen to drop in.

## Athletic Director

Do you mean I have to letter before I get one?

Have you ever wondered how the sports schedules get arranged? Mr. Olson is in charge of contacting all of the other athletic directors and setting up the sports schedules for each sport. He is also responsible for selling tickets at the games, refreshments and getting the programs ready. He is kept busy trying to keep all the coaches and teams organized and transporting them to the site of competition. Mr. Olson definitely deserves a round of applause for the job he's done this year.

Mr. Olson

# Attendance

Mrs. Erma Kremers

The Attendance Office found a new home this year, and a welcome change at that. Students found it's new location to their advantage. Mrs. Kremers survived the hectic days of keeping our attendance records straight and she also did a fine job as "Nurse Kremers".

Today's detention list.

# Guidance

Sr. Rosemary, Gaylene Shafer, Mr. Koepp

The Guidance Office again successfully led CHS to a rewarding year. Sr. Rosemary and Mr. Koepp lived through the trials of everyday life here at CHS. Switching students schedules around, filling in numerous applications, running various clubs, and listening to all our problems were a few among many of these trials. What would we do without our counselors?

You can't see this

# Cooks

Just like home

12:00 noon rolls around and many stomachs are growling away. What will help stop this problem? Lunch! Of course . . . Our cooks at CHS produce a variety of meals which are not only nutritious but very appetizing. They kept our stomachs warm and our faces happy.

# Custodians

Tom Vogel, Dave Bohlig, Roger Pappenfus, Ervin Hanson

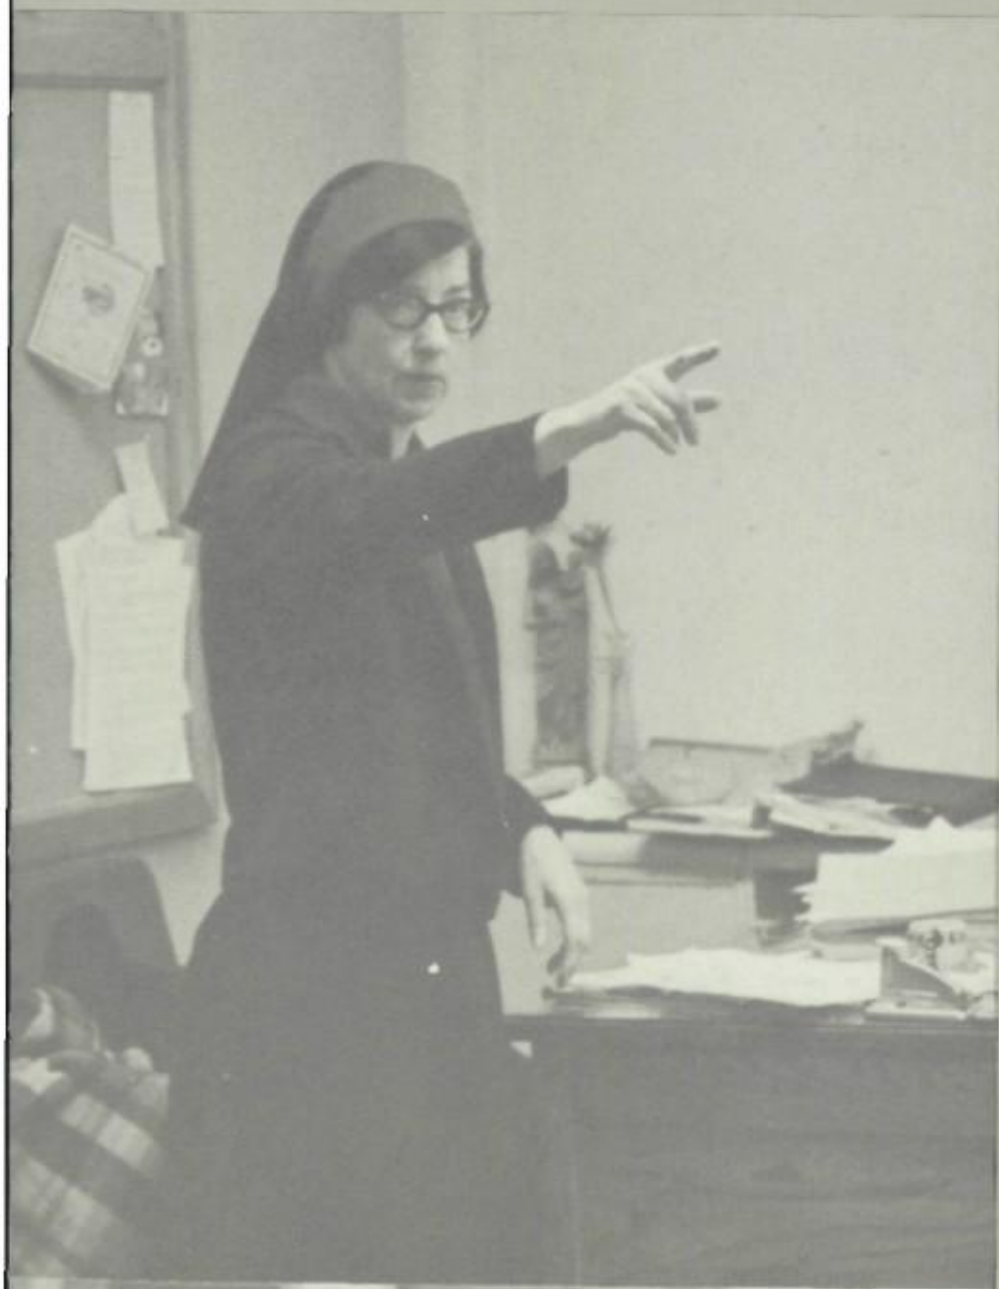

Cleanliness is a God-given gift and our CHS custodians are blessed with the responsibility to achieve this state of shinyness. Between cleaning the cafeteria and keeping our boilers operating, they didn't have much time to themselves.

# Business

A sing along in business class?

An ace student hard at work.

For the students interested in business, Cathedral's business courses are a good place to start. They have many courses to assist the college bound student in his future studies, such as Accounting, Shorthand, Typing, Business Law, Distributive and Service Occupations and Office Practice. With the wonderful business staff, learning proved to be fun as well as educational.

He went that a way!

Cathedrals English Department has many ways of aiding the student in learning to understand the many aspects of literature. Courses such as European, American and British Literature offer a wide variety of reading materials. The teachers also help the student develop proper writing skills to help them in their years to come.

# English

It's like this . . .

Listen, if you think you're bored . . .

The French, German and Spanish departments here at Cathedral encourage and help the students read, speak and write in their respective languages. The foreign language department has always been one of the more lively departments here at CHS. The teachers contribute many aspects of the culture to their classes because they have visited the countries that they teach about, which adds a new twist to the class.

And this is the . . .

The Home Economics department here at Cathedral offers the students a wide variety of courses to help students discover their hidden talents. The different courses in food preparation offer experience with the traditional cooking in many countries as well as wise resource management. The Home Economics department also offers a wide range of courses such as "Family Living" and "Living on Your Own" to prepare the student for life ahead.

First of all . . .

Finally, someone aced one of my tests!

This year the Math department pulled a switch on the students. The teachers shuffled classes between themselves. They make this switch every three years so they each have a variety of classes to teach. The courses ranged from Algebra I to Advanced Topics in Math. The math program filled the role of providing profitable classes for the future of CHS students.

He did it, over there!

Come blow your horn

Whatever it may be that you really enjoy when it comes to music, the opportunities are endless when it comes to the CHS music department of 78-79. Concert Choir, Pep Band and Orchestra are only a few of the ways you can share your musical talents. The individuals talents are stressed as well as group performance. Working with and through people to enjoy music and the talents you share, that's what the CHS music department is all about.

# Music

Don't look now, but . . .

Mr. Olson, Mrs. Dobbs, Mr. LeGrand, Mr. Miller

Here goes nothing!

Stride, stride . . .

# Phy. Ed

I got it!

Phy-Ed is a chance to forget about the book work and get down to some physical activity. It is a chance to get rid of extra energy or to express yourself in a manner in which you usually don't. Phy-Ed proved to be a time to laugh and learn while letting loose of all those daily routines. Along with Phy-Ed, the Health department is equally important. Mr. Miller takes his classes and proves to them how important physical health can be in your life and how to attain and maintain good physical condition. He also points out the harm you can do to your body, things that we usually try to push out of our minds. The combination of health and phy-ed help us to remain in good condition for learning what the other departments have to teach us also.

That was easier than I thought.

# Religion

Fr. Kieffer, Mr. Imholte, Sr. Roselle, Fr. Germain, Fr. Marfori

Oh, that's Beautiful!!

Do you believe in peanut butter?

These papers are "crazy."

Ha-ha, That's a good one!

The Religion department is something that sets Cathedral apart from other schools. It offers the student a separate aspect of education that is needed for the full development of a student. The courses teach the basic doctrine of the Catholic religion and help the students form sound adult values that will help them make the right decisions in their lives ahead.

Mr. Rice, Mr. Zirbes, Mr. Rupp

The Science Department here at Cathedral offers the student an opportunity to explore the many areas of the Natural Sciences. Earth Science, Biology, Astronomy, and Chemistry give the student a wide range of courses that help them pursue and develop their interest in the sciences. The labs are manned by a dedicated group of experienced and knowledgeable teachers that make sciences here at CHS fun, as well as a valuable learning experience.

# Social Studies

On the one finger we could . . .

Alright, hand it over,

Look Mom, no cavities!!

During the school year of 78-79, we were fortunate enough to have a very qualified and dedicated social studies department comprised of all types of women. First on the list we have Sr. Ione, the sophisticated Crusader advisor. Then there is Mrs. Kolbo, the only full trained mother and housewife in the department. And where would the department be without a cheerleading advisor? Sr. Jeanne Marie takes this position. Last but not least, we have Sr. Geraldine, the active government leader and political activist. What more can we say about the insights we receive from such a wide variety of ladies. The teacher makes the class, and when it comes to the social studies department, there can be no mistake about the experiences to be found.

The students at CHS were again offered the chance to participate in courses not offered at Cathedral. The students could take a great variety of classes such as Photo, Human Biology, Child Development, and learning about the many physical aspects of our own world in Physics, under the intuitive direction of Mr. Austing. The Programs provided the students with a growing experience in the new environment at Tech, and with the new friends that they meet. Their advantageous opportunity is truly an excellent addition to our curriculum at CHS.

# Homecoming 1978

## The One in Your Life

Bring on the presents!

Typical frosh . . . In the fog?!

Quit the clowning.

A fired up C.H.S. crowd.

You've come a long way Joey!

1977 Homecoming Queen  
Ann Verkinnes and Dan Musielewicz

This year's Homecoming was "The One in Our Lives." Just ask Joe Statz how exciting it is to be a Homecoming attendant along with the nine girls given the honor from their classes this year. Each one was as happy as the next as they were announced at the kick-off pepfest the Friday before Homecoming Week.

Tension mounted over the weekend for the three Queen candidates, chosen from the top ten, 'til Monday nights 6:30 coronation. The Pep club did a fine job of decorating and setting the mood. Steve Przybilla was an enjoyable Master of Ceremonies for the evening. A very distinguished group of Senior guys escorted the attendants. They were Chris Blocher, John Muenzhuber, Jeff Muntifering, Gary Bechtold, Dale Krippner, Tom Ruether, Dennis Schleper, Tom Murphy, and Gerry Sexton. Before the introduction of the three Senior Queen Candidates, Steve Reisdorf and Betsy Hick joined Mike Levandowski in sharing a beautiful song he had written himself entitled "Color Song." Then a slide presentation of the Queen candidates was shown accompanied by the theme song "The One in Your Life," sung by Barry Manilow. It's hard to describe the expression on Queen Brenda's face as she was crowned by last year's Queen, Ann Verkinnes. As a Crusader reporter put it, "The surprise on Brenda's face as she was crowned Queen, literally unified all former years." It was a beautiful sight to see indeed.

But the evening wasn't over yet. This year we did away with Powderpuff football games and introduced Powderpuff soccer. The Junior and Senior girls each had teams of soccer players that had been practicing for several weeks. We were challenged by the girls from Apollo. After the conclusion of coronation we rushed to see how the Junior girls were faring. They were defeated, but the Senior girls came out victorious under the lights with some spectacular plays. Both teams found the competition exciting and refreshing and hope powderpuff soccer will continue for years to come.

Thursday's parade took a new route this year and contained some extraordinary entries. It started at the St. Cloud Armory, journeyed down 8th street and turned right on 7th Avenue finishing at Cathedral. Some of the different units this year were the 4th 5th and 6th runners up in the Queen competition, (three very lovely ladies?), the CHS Bombers (our football cheerleaders on roller skates). We also had some classy antique cars that added character to the parade.

We grabbed the Tigers by the tail (Morris that is), with a 22-0 shut-out in Friday night's football game at Clark Field. The Marching Band put on an impressive halftime show which everyone seemed to enjoy.

Saturday evening brought to a close the activities of the past week with the sensational sounds of Magic. Although the presentation for the royalty was held up by reasons beyond control, the evening held lasting memories for all who attended. "The One in Our Lives" was in the words of Barry Manilow, "forever, for always."

Oh no, Razor Stubble!

# Student

For most of us, last summer was spent relaxing, traveling, working and trying to prepare ourselves for the upcoming school year. While we were spending time on these activities, the executive officers of the Student Council were, along with their advisor Mr. Imholte, planning and getting things ready for the new school year. The main accomplishments of the summer were the painting of the store, the planning of the first all-school mass, and most of all, the student handbook. Once school started, their major concern was Homecoming. This took a lot of time planning and was their main concern of the fall. The Thanksgiving Food Drive was a great success again this year as CHS provided a meal for 31 needy families in the St. Cloud area. Two Student Council members, Mary Feneis and Kathy Hollenhorst, went with Mr. Imholte to the State Student Council Convention in White Bear Lake. This convention gave them many new ideas and organizations to work on. Sno-Daze took up many of our council's thoughts and meetings. Sno-Daze was capped off by the great second annual Talent Show. Student Council also planned a faculty appreciation day which was a change of pace. Council's plans for the spring include the first annual Almost Anything Goes competition between CHS, Tech, and Apollo. Another of these plans is a Spring Week to finish off the school year and the many accomplishments of the Student Council.

National Honor Society is a nation-wide organization open to Juniors and Seniors in High School. They have been selected on the basis of leadership, scholarship, service and character. Each spring, members of the Junior class are selected to form the nucleus of the organization. Then, in the fall, members of the Senior class are also inducted. The club chose to be an active rather than honorary club, and has been involved in special tutoring, and teacher assistant programs here at CHS. NHS also assisted the St. Cloud Jaycees in supplying needy Senior Citizens with personal items. The entire school was asked to participate in this project which was a huge success.

# AAUW

Throughout the 1978-79 school year, twelve Senior girls participated as guests in a schedule of monthly branch meetings of the AAUW (American Association of University Women). These meetings consisted of guest speakers and special programs of interest to educated women in the community. The usual format included a main speaker for the membership at large which preceded a special interest "mini meeting". The organization is designed to open the doors of education to women and to widen opportunities for women. They now have an idea what the organization does and how it serves the community.

The magazine drive is a yearly campaign carried out in the hopes of raising funds for CHS. The drive heads Tom Knobloch, Pat Hughes, Sue Pundsack, Mary Feneis, and Theresa Kruger helped the advisor Sr. Rita promote the annual fund raiser. The two Cathedral students with the highest sales were Carol Bechtold and Margaret Domeier. The drive raised \$ 5,130.05 this year.

At the beginning of this year, 16 Senior guys were selected to represent CHS at weekly meetings of the Kiwanis and Rotary clubs. At these meetings they would report on the special events and happenings of our school. The Rotary and Kiwanis are organizations of St. Cloud businessmen noted for their fine service to the community. These Seniors were glad to become acquainted with the inner workings of the worlds most famous service organizations.

# One Act Play

The heartbreak of psoriasis

The one-act play this year was "The Room", by Herold Pinter. "The Room" is a very difficult play to understand and is equally difficult to present. This, however, did not discourage Mr. Cushman. If anything, it made his job as the director a greater challenge.

The many long rehearsals and hard work by the director and cast of six was apparent at competition. "The Room" took first place at the district level and went on to take third place at Regions. In addition to these honors, Joe Statz and Nancy Ebert were awarded Best Actor and Best Actress at Districts. Joe was also recognized as a "Superior Actor" at Regions.

# Science Club

Science Club was quite active this year with activities ranging from a trip to the New Zoo, a visit to the Omni Theatre in St. Paul, and a three day weekend at Long Lake Conservation Center. The club also sent representatives to the Junior Science, Engineering, and Humanities Symposium in Minneapolis. Other endeavors were Cross Country Skiing and an excursion to Taylor Falls, Minnesota.

# Student Congress

J. Giroux, L. Lind, S. Chirhart, J. Kunkel, N. Zylla, T. Levandowski, Advisor Mr. Backen.

The CHS Student Congress members started this year's season just right. At the first congress, Nadine Zylla was the presiding officer and Lori Lind was voted Best Speaker, later to be nominated at another congress for that award, also. Students wrote bills on such topics as reducing oil imports, B-1 Bombers, Cloning, BWCA, and a Bi-lingual requirement of school children. A lot of learning took place, since the congress follows Parliamentary procedures, a fun, but sometimes confusing procedure to learn. The season ended in April while the fun and excitement lingers on.

## Soccer

Intramural soccer was a big success this year. Rudy's Rowdies, Captain Tom (Rudy) Ruether remained undefeated throughout the regular season with an 8 and 0 record and 2 and 0 in the playoffs to take the championship. The championship game was a very close one. After regulation time of 60 minutes, it ended in a tie, 1-1. The teams were Rudy's Rowdies and Sisco's. After great debate a shoot out was decided as the outcome of the game. Rudy's Rowdies blew away Sisco's with a 4-1 victory for the championship.

## Basketball

In a surprising playoff outcome, Las Chochas became the first Junior team to ever win the championship in Intramural Basketball. Captained by Jimmy Sexton, Las Chochas overpowered The Klan, a Sophomore team, 62-32 in the finals. The Senior power, SBV's (should be varsity) came up a couple of men short and fell to The Klan by eight points in the semifinals. They came back in the third place game, topping Frightening Lightning, another Junior team, by six points.

Intramural Basketball entertained two girls teams this year and a first, a faculty team. FAC ended the season in a three way tie for first place while the Senior girls team, The Goobers, placed well, ending the season in fifth place out of nine teams.

# Sno - Daze

Elwood and Jake waiting for their Rmmrubber bisquit to return

This year's Sno-Daze activities were started off on February 26th with Ski-Day at Powder Ridge. The Juniors planned the event which brought to school a few redfaces on the following Tuesday. The announcing of the royalty that afternoon made the assembly fun, along with the annual Senior Slave Auction. Once again, Mr. Rupp showed his great skills of crowd pleasing as the lucky ten seniors were sold for a day of service. This year's biggest investment (\$ 15.00) went for Tom Ruether. Wednesday, the 28th was Ash Wednesday and the school celebrated mass together. On Thursday evening, we had our Talent Show. The hard work of the student council showed a packed auditorium and many interesting acts. Students displayed talents ranging from "No Touchy Wrestling" to singing and dancing acts. We also had a visit from the Blue's Brothers. MC's Phil Hughes, and Mike Levandowski provided silly skits in between the acts. Friday's 2:15 Pep Fest planned by the Senior Class officers turned out to be exciting. It started out with White Day competition, where Kathy Levandowski captured the title. The pickle-eating contest brought indigestion to all the competitors and no one knows how Bob Ellenbecker could wolf down so many dills. The sophomores showed their coordination as they won the pyramid contest, although the judging was questioned. As Saturday evening was approaching, excitement for the Sno-Daze Dance was brewing. Unfortunately, so was the weather. Because the dance had to be postponed till the following Saturday. The band that was contracted to play could not make it, so the Sophomore class officers hired a disco show from Milaca called Fantasy. The dance was very enjoyable for those who "Shared the Night Together", as it brought to a final close the Sno-Daze festivities of the year.

Throughout September and October, many hours after school and evenings are spent researching and accumulating evidence. Then the tournament begins. These long, hard hours of work paid off when the CHS Junior-Varsity team took 3rd place at a November tournament at Brainerd while the Varsity team consisting of Jackie Giroux and Nadine Zylla took 3rd place at Willmar. The issue being debated was resolved: that the federal government should establish a comprehensive program to significantly increase the energy independence of the U.S. All in all, it was an exciting and educational experience for the teams.

Individual awards won at Districts.

With the many hours of hard work and practice this year's CHS speech team met with much success by having its members get into finals in every single invitational it attended. Team members competed at Rocori, Willmar, Princeton, Tech and Holdingford. At the District 19A Contest Laurie Feddema, Lori Lind, and Nadine Zylla took 1st place; Shelley Chirhart, Martha Heying, and Julie Kunkel took 2nd place; Joy Hennes took 3rd place; and Jackie Giroux took 5th place; while Nancy Weitzel was named first alternate. At Region 5 speech tournament Laurie Feddema, and Jackie Giroux were named first alternates to the state tournament and Lori Lind a second alternate. The team polished off the season with great success.

"Do we look intelligent enough to be editors?"

This years Crusader proved to be an innovative and involved student newspaper. The Crusader offered school news, schedules of school events, thought provoking opinions and numerous reports on various events. With the advice of Sr. lone and under the direction of our editors, Laurel Feddama, Jackie Giroux and Phil Hughes, the entire staff worked diligently to produce nine very fine issues of the Crusader holding some of the history of the 1978-79 school year.

Editors: Shelley Chirhart, Chris Bownik, Marietta Haeg and Advisor Mr. Karn.

Once again Caedmon Song has displayed the creative expressions of a unique group of Cathedral students. Under the supervision of Mr. Karn, editors Shelley Chirhart, Marietta Haeg and Chris Bownik have successfully finished the publication. The book contains poems, short stories and artwork which display the feelings and talent of each author and artist. Thanks to everyone who contributed to this extraordinary work.

Be Still and Know  
By Jackie Giroux

Death is so still,  
so utterly still.  
Death is more still than the quietest meadow on a summer day,  
stillier than the whitest snow of a winter hillside,  
more deeply still than the deepest stillness of a starry night.  
There is such peace in death,  
for the spirit is lost in the bliss of some absolute dream.  
Death is perfect acceptance,  
perfect understanding.  
Death is the perfect knowing  
"Be still and know that I am God," You said  
The living can never attain the absolute perfection of  
stillness and knowing,  
Only the dead  
But so profound in their stillness, this we do know:  
In You they live.

*Diane,  
It was nice  
knowing you.  
Hope to see  
you this summer

Mary Hughes was presented this year, with the DAR Good Citizenship Award for 1979. To be eligible, the requirement was that any male or female had to be an American citizen, a senior in high school and in good standing with the Minnesota Department of Education. The senior class votes to select three seniors who have continually shown leadership, dependability, service and patriotism. Then the school's faculty selects one of these seniors to be their high school's Good Citizen.

# Special

The Young Achievers Award was presented to Mary Feneis. WCCO Radio honors high school seniors for outstanding personal service and achievement in class and community and citizenship, exemplifying "the finest traditions of 'Good Neighbor to the Northwest.'" WCCO's primary interest is in the exceptional seniors involved in a variety of activities. All nominees had to submit all activities and the sports they were participants of, as well as all church and community involvement. This award is given out to many selected nominees throughout each school year.

Tom Knobloch and Marietta Haeg, were chosen as National Merit Finalists. In order to be chosen, they had to take the PSAT-National Merit test. Their results awarded them to be among 15,000 students across the nation to earn semi-finalists rankings. They represent the top half of one percent of Minnesota's graduating seniors. They went on to compete in a state-by-state basis for at least 1,000 National Merit \$1,000 scholarships. By this award they have "demonstrated high potential for future academic attainment by distinguished performance as a finalist."

Tom Knobloch and Marietta Haeg

Jackie Giroux

The Century III Leader representing CHS this year was Jackie Giroux. Jackie as well as other students were judged on the basis of their leadership abilities, community involvement and a score on a current events test. When Jackie competed on the state level, she was required to write a brief outline on what she thought was one of America's Future Challenges and how she felt they should have been met.

# Awards

The Outstanding Young Adult Award went to Joy Hennes. In order to be nominated for this award, Joy had to fill out a questionnaire dealing with her participation in community activities, her contributions to her home, community and school, her leadership and personal development and initiative. This questionnaire represented her outstanding achievement in community service, family concern, school activities and the like. The qualifications exclude academic and athletic ability. Any local teenager can qualify for this award that is sponsored by the St. Cloud Jaycee Women.

Advisor Mrs. Kolbo

What did Pep Club do this year, you may ask? Well ask one of the 6 busy officers while she's catching her breath. The officers are: Katie Lorbiecki, Betsy Hick, Patty Barr, Karen Torborg, Michele Weitzel and Terese Weitzel. Their faculty advisor is Mrs. Justine Kolbo. One of their largest projects was homecoming. The pep club put their interior decorating ideas together to create the beautiful mystic setting for coronation. On Friday morning, 30 girls pulled their sleepy bodies out of bed at 5:30 a.m. to hang large painted signs on the football players homes to arouse spirit for the game. Another project for the Pep Club is arranging Parents Nights. Each team has the opportunity to take this chance to show appreciation to the supporting parents with a colored picture of the team. Pep Club also planned many of the great pep fests. These pep fests are a time to get the student body together to raise the spirit of the school. Some of the occasions that pep fests accomplished this were at important sports games, the announcing of the homecoming royalty and sno-daze royalty and also a presentation of seasonal sports. One of the different ideas of the year was the volleyball send-off when the team went to State. An outdoor pep fest complete with cheerleaders, Pep band and a large cake wishing them luck. For Valentines Day carnations were sold for the sweetheart of your choice. The proceeds went to the MCCL organization. Pep Club proved throughout the year why CHS has such wonderful spirit and they did a major share in keeping it alive.

As in the past, the Minnesingers have shown their enthusiasm and creativity through their singing and dancing abilities. Once again these talents were proved at the District and State Vocal Contest, where they received superior ratings for their performances. The group consisted of 14 singers and 1 piano player, Pat Hughes. Mrs. Schultz acted as advisor. A few of the performances they gave included singing for the Whitney Senior Citizens, a Girl Scout Banquet and at the Band marathon.

Dance Band adds life to Marathon

The folk group got off to a slow start this year, but, they blossomed late. They struggled through the earlier masses, providing music, but their hearts weren't in it. Then a new core of singers joined the group and things began to happen. They presented new songs, new life and spirits. They became a unified group and helped to unify the students and faculty as they worshipped together.

The Concert Choir performed a few selections at the St. Ben's Concert and also sang at St. Mary's once. Bringing the year to an end, all three choruses sang beautifully at the Spring Choral Concert.

Down in the North Building there's a room commonly called the "Band Room" where many creative groups of students gather to make beautiful music together. Three of these groups are the Orchestra, the Varsity Band and the Concert Band. The first objective of these three groups was to get prepared for the fall concert. After that, they started getting things organized for a music marathon which would raise money for a trip to Edmundton, Canada this coming summer. At this marathon, these groups performed for 25 straight hours, playing the different types of music they had worked on. Not long after this marathon was over, there came a St. Ben's Concert in which the Orchestra and Concert Band performed formally. The Orchestra then gave a Pops Concert at Newman Terrace. Finally came the Spring concert that ended the formal music for the school year. Then the Bands started working their way down the street getting a head-start on their marching maneuvers for the summer competition at Edmundton.

Cathedral experienced a change in their annual spring play this year. The cast and crews under the direction of Mr. Mark Cushman brought to light Arthur Miller's drama *The Crucible*. The play dealt with the hysteria of the Puritan people during the time of the Salem witch trials. Although not called for in the script, the production included a frightening opening dance number to establish a mood of hysteria and use of vocal sound effects by actors sitting behind a screen. The five performances didn't seem to be enough for everyone involved. *The Crucible* gave each person that was a part of it, as well as the audience, something to think about and something to remember for many years.

This year's Cross Country team under the expert guidance of Coach Fred Rupp, turned in one of the finest performances in the history of CHS. The season's highlights were winning the last four regular season meets and defending the Conference Title. With this the team also took the District 19 Title which was a big event in itself. Although the team hoped for a higher finish in the very tough Region 5 meet held at Holdingford, it finished a respectable 6th place. Senior Captain Gary Bechtold provided needed leadership to help the younger runners through the hard workouts. The team's success was due to the fact that they were able to cluster the top runners together and run as a team, thus moving other teams back in places. The team also added a new look with the addition of two girls, Anne Musielewicz and Tammy Hurrle. The team's final record was 82 and 14 or an 85.4% winning record. With the loss of only one graduating Senior and many experienced runners returning, next years team will be even better.

The 1978 football season came to an end with the Crusaders having 4 wins and 5 losses. In terms of wins and losses, that is not a successful season. In terms of what was accomplished by a group of young men that started a season lacking experience as a team, the season would have to be an outstanding success.

Three of the Crusaders losses were by two points showing how close they were to success in terms of wins and losses. The young Crusader's improved from week to week, as individuals gained experience resulting in the development of a strong team effort.

After six games the Crusader's were 1-5. The experience gained allowed the Crusaders to win their last three games posting shutouts in two of them.

With the strong finish the Crusaders were able to place second in the West Central Conference. The fact that many of this years players will be returning next fall indicates that the Crusader football future is bright.

Oh the shark bites . . .

The 1978 girls' swim team was composed mainly of freshman and junior high members. Because of all the new participants, this year was considered their "building year". The girls were once again coached by Karen Anderson. The new addition of diving coach Kerry O'Connor really helped the diving aspect of the team. The team's record of 2-12 doesn't appear to be too impressive, but with such a young team it was considered to be an overall good season.

Captains Michele Weitzel and Karen Torborg, qualified for the State meet along with Katy Weitzel and Polly Harlander. These four made up the "Deadly Medley" and earned their spot at the State Championships by placing second to St. Cloud Tech (by one one-hundredth of a second) in the Regional Meet. Katy and Michele also qualified for the State in two individual events each — Katy in the 200 yd. Individual Medley and 500 yd. Freestyle, and Michele in the 100 yd. Butterfly and 100 yd. Breaststroke and finished twelfth in the state.

Hopefully, with all but the two Seniors returning next year, the swim team will keep on improving. Next year should prove that this '78" building year paid off.

This years tennis team was made up of three returning letterwomen, Theresa Spiering, Beth Perrier and Ann Howard, and members of last years junior varsity. Judging from the line-up not much was expected from them. Suprisingly, they came up with a dual record of 11-4 and swept the district tournament without losing a match. The young team went on to place second in Region 5A to make their overall record 14-5. The representatives at regions were Theresa Spiering, Beth Perrier, Sue Bellis, Cheryl Supan, Jenny Rawlings, Ann Howard, Trish Weidner and Steph Heuring. Finally to top off the season, Cathedral sent their number one singles player to the State Tournament, Theresa Spiering. She took a surprising fourth place, since she was not rated in the state.

Next year there will be at least ten returning letterwomen and it promises to be another successful year

Success. This is the only way to describe the 1978-79 volleyball season. Not only did the team sweep the West Central Conference with an 8-0 record, but they also became District 19A Champions over the 1977-78 State Champions, Sartell. The Region 8A Championship was the next step in the victorious season. The State Tournament at the Metropolitan Sports Center was the end of a fantastic season. After losing to the eventual State Champions, the team went on to take the consolation trophy. Overall the season ended with an 18-4 record for varsity and a 11-2 record for the junior varsity. But without the excellent coaching of Mrs. Dobbs, and the superb leadership provided by co-captains, Sue Sis and Julie Hollenhorst, the team wouldn't have been as successful.

Julie Hollenhorst, Lurana Kruchten, and Diane England were named to the All-Conference and All-Metro volleyball teams. Julie also received All-State honors.

Chris, You're late, get going!!

Success is the peace of mind that comes from knowing that one did the best possible. The basketball team was successful both from this point of view and with a 15-7 record. In the West Central Conference, the team finished second. In district play, the team lost in the semi-finals. The team this year had qualities of enthusiasm for the game and loyalty to each other as a team. Excellent leadership was provided by the captains, Dennis Schleper and Chris Blocher. As a coach, Mr. Karn has never enjoyed a season more than this one. Individual honors went to Dennis Schleper as the most valuable player in the conference. Tom Knier and Chris Blocher were named to the All Conference team. These honors to individuals are a tribute to the whole basketball team.

# SWISH

The CHS girl's basketball team experienced their best season since the introduction of the sport six years ago. The team finished with an 18-4 record overall for the season and took third place in Districts. They also captured first place honors in the West Central Conference. Laurie Meyer was named Most Valuable Player of the conference and Joann Primus and Brenda Jones were named All Conference Players. The highlight of the season for the Crusaders was going undefeated and leading every statistic in the West Central Conference. Although the loss of the 5 Seniors will be a large factor, there are many eager, waiting players to fill the open positions.

Get off my back!

Once again, the CHS gymnastics team has turned on their style and put forth much which resulted in an undefeated season. Through times of friendship, hard work, and even the disappointments, they worked together as a team to take first place in Sub-sections, Regions, and then off to State. All the girls remembered the pulled muscles, ripped hands, and tears of discouragement that led to their goal in placing third in the State Gymnastic Meet. Losing only four Seniors, the outlook for the future of the winning tradition is strong. The team is expected to be a state contender for years to come.

# SLAP

With a slow, organized start, the hockey team picked up consistency and peaked once again for the Tech game. The first part of the year was spent adjusting to a new coach and a new philosophy. The team played inconsistently until after the Christmas break. After this, play improved but not the scoring. Led by captains Tim Steindorf, Rob Poganski, and Andy Opatz, the team had close games against Litchfield, St. Peter, Brainerd and Tech. Although losing them by either one goal or in overtime, the team played with more spirit, enthusiasm, and togetherness than ever shown by the team over the last few years. They finished the regular season with a comeback win over Alexandria, which was particularly satisfying. Hopefully next year's team will build on this spirit and enthusiasm.

The boys and girls Cross-Country Ski team coached by Bob Lindvall had a fairly good season. The team members had rewarding experiences, both physically and spiritually. Because of the smallness of the team, each of the members were given plenty of individual coaching. This enabled each of them to grow in their skills. Not all of the members were competitive in their racing; they did it for the enjoyment of the sport itself. There were many, though, who really pushed themselves and were successful in their attempts. Some of the team's really enthusiastic members were: Marty Tabor, Tim Murphy, Jenny Stock, Diane England and Mary Lahr. We hope, since the team had no Senior members this year, that the same members and more, will come back to ski.

Suspended animation

Not many people realized that CHS had a downhill ski team this year . . . But they did! Paul Heckman captained the team this year and also went to the State Ski Meet where he came in 12th. The team members know for sure that they had a team this year and they have many great memories to prove it.

The 1978-79 Wrestling season proved to be quite exciting though the record may not have shown it. Going up against experienced teams, everyone gave their maximum effort. The most exciting match of the year was against Holdingford on parents night. Our young team pulled off an exciting 28-25 upset victory to cap off the home season. Another highlight of the season was Paul Chmielewski's trip to the State Wrestling Tournament where he placed second in his weight class. With the loss of only one Senior and the return of 9 lettermen, the CHS grapplers should be a well balanced squad for the 1979-80 season.

# CRACK

The 1979 baseball team was a young but talented squad. Many of the key positions had to be filled by underclassmen, primarily the one-two combination of pitcher and catcher was well handled by pitchers Bill Jansen and Pat Opatz and catchers Dan Raden and Dan Borgert. However the team was not without the senior leadership of captains, Dale Krippner, Jeff Muntifering and Dennis Schleper, who added the experience needed to make the team a strong contender at the end of the year.

The 1978-1979 golf team is a blend of seasoned performers, hard-working returnees, and promising newcomers. The team is headed by Matt Posch, a two-year letterwinner who put in a long winter of weight training and club swinging in preparation for this season. Sophomore letterwinner Kevin Kenefick has also made some solid contributions to the team by his steady performances. Other returnees include Tom Kerber, Steve Jameson, Jim Burns, Chris Buse and Jeff Halberstadt. The improvement of these five golfers will, in large measure, determine the success of our season.

After five long weeks of practice in the limiting indoors, the softball team was ready and willing to start their outdoor season. Once outside, the year proved to be a very successful one. The five returning letterwomen lead the team to a fruitful season. Hard work and togetherness were the keys to follow and the team did an excellent job of exemplifying these two things.

Runners take your mark- set- go! These words are said again and again, at every track meet. They hold a certain excitement, as the track team well realizes. This year, with only one returning Senior, the outlook for the season was unclear. But as the meets passed by, ability increased and although Cathedral didn't come away with first place at every meet, they came away with a feeling of accomplishment for achieving personal records. That is what Track '79 was really about.

This year's girls track team, made up mostly by junior high and freshmen girls, experienced another successful season. They opened the season with two victories indoors and a second place finish in their first outdoor meet. Because of the young members, the team is hopeful for many successful seasons in the coming years. They hope to keep up the reputation of a winning team with many of the girls returning. The team will lose four Seniors: Laurie Koltes, Beth Perrier, Jane Mohs, and Karen Torborg.

CHS — in action

The first year of Class "A" tennis was a promising one for the CHS netters. Greg Weitzel played #1 singles while Rob Poganski and Tom Howard teamed up for #1 doubles. Ed Kelly and 8th grader Jim Graham provided depth at #2 and 3 singles. The #2 doubles slot was filled by an assortment of players, which included John Cummings, Kevin and Barry Quinnli-van, Mike Windschitl and Hub Hobday.

# 1979 Honor Athletes

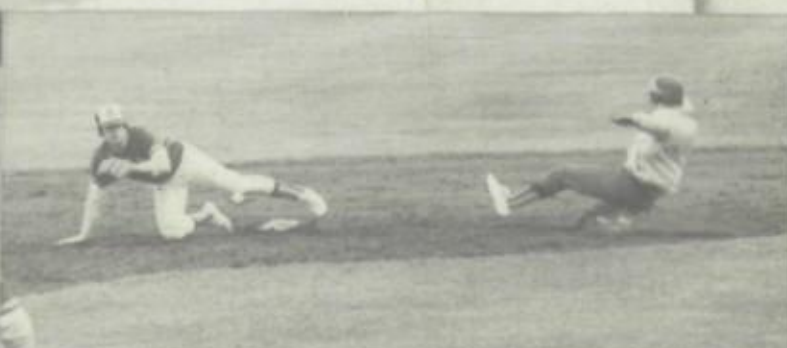

Karen Torborg, Julie Hollenhorst and Dennis Schleper are the 1979 Honor Athletes. They were chosen on the basis of athletic abilities, sportsmanship and academic record.

Karen participated in Swimming and Track for four years and Cheerleading for three years. As a Senior, she was a captain in all three sports. She qualified for the State Swimming Meet for 2 years. Karen was also involved in Band, Pep Band, Pep Club and National Honor Society and Society of Distinguished American High School Students.

Julie was a four year participant in volleyball, in which she received All-Metro, All-Conference and All-State honors. Julie was also in Gymnastics, Softball, Cheerleading and Track. Julie was active in Chorus, Pep Club, Cathedralite, National Honor Society and Society of Distinguished American High School Students.

Dennis was a member of the Football, Basketball and Baseball teams for four years. Dennis was named captain in all three sports as a Senior. He was honored as All-Metro, All-Conference player in Football and Basketball. Dennis also participated in the Cathedralite, Junior Rotarians and National Honor Society.

# Remember When?

We would like to express our deepest thanks and appreciation to all of the people who have contributed their time and effort to make this yearbook possible. To a group of Senior guys who wanted Captions under pictures enough to form a new yearbook section. To the faculty for allowing us to interrupt their classes for pictures. To all those who posed for pictures, because we have definitely got some unusual pictures this year. Thank you for your creativity. To Sentinel Printing; Thanks for keeping us going. To our patrons who have supplied the funds for this tradition.

Mr. Kolbo-what can we say? You were more, much more than just an advisor. You were a wonderful friend. Thank you for encouraging us and putting up with us. We couldn't have done it without you.

And lastly, to our excellent photographers. Tom, Steve and Jeff, words can in no way express the huge contribution you have made this year. Your pictures have captured the true spirit of CHS and the many hours you have put in have exemplified it. Thank you for making the yearbook what it is.

Diane,  
Thanks a lot  
for the use of your  
calculator during acct.  
Hope you have a  
good summer &  
we'll see you around  
in  
Zenner

Diane,  
Advanced Algebra  
was really great  
(what a joke!).  
Hope to have you in  
some classes next year.  
Take it easy. Diane

Too bad we weren't in  
any sports together this year.  
ah well, maybe next year.  
Remember Religious Personalities?  
Now - make sure you remember your  
saints... or you know where you'll go -  
Just kidding. Lee, but what a brain.  
Keep up the good work  
Sue Pundack

# Special Patrons

The staff of the 1979 CATHEDRALITE is extremely grateful for the generous patronage of the businesses and individuals, without whom this yearbook would not have been possible. We ask the students, faculty, and parents to express their appreciation to these patrons for their financial support.

*Diane, Have a great hope swimming pool to see you next year. I am sorry your friend*

*Ann Down*

Diane, Aren't you glad this year is over? Boy, only one more year to go. This summer we'll have to take it easy because I have a feeling next year is going to be hard. We'll have to do some things together. friends always  
 Jonelle

Diane,  
 I can hardly believe that I'm leaving and your class will be the seniors next year. I hope you enjoy your last year at CHS as much as I have mine. Good luck & take care!

Love,  
 Jackie  
 Class of '79

Diane,  
 How can I ever thank you for being so nice to me. I still think that you should do the things that you want to in life and make the best of them. You have a good head on your shoulders so use it.

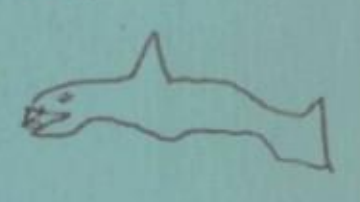

Thanks  
 Love always  
 D. Jones

Well Dianne we'll just think about it. Aren't you glad school is over? Take care this summer.  
 Liz J.

Diane -  
 You're a real great kid and I hope you stay that way. I can't believe we made it through Nov. Ford and Dad. Have a super great summer.  
 Mike Cav, Jr.  
 11/2/79

Diane,  
 Remember St. John's camp? Mary, Lynn, and  
 I still talk about it. We have survived  
 through torture with coach Karen,  
 boredom in algebra (check!) and have  
 come through with flying colors even.  
 Have a safe and fun summer and  
 see ~~in~~ you in the pool next fall for  
 sure! Okay? Friends, Katy Chopper

Wetzel 

Diane,  
 Can you believe that  
 we are already  
 through our Junior year?  
 It seems ~~to~~ just  
 yesterday we were  
 playing kick ball at  
 St. Peter's. You are  
 a special person  
 Diane. I hope our  
 friendship can grow  
 even more. Take care!  
 Love,

Kutz  
 (Kathy H)

Diane,  
 I wasn't accounting for fun?!  
 I hope this was a good  
 year for you. make the  
 most of next year it  
 goes so fast! Take care  
 and good luck. friend  
 Patty  
 Bar

Diane, only 1 more year  
 it. Everything has gone so  
 fast. I hope you summer  
 will be the best one  
 you ever had  
 Can you old  
 friends  
 summer

Diane -  
 We pass in  
 the halls many  
 a times - Thank  
 for being there to  
 shine a smile!  
 Love, Betty

Diane.

Will to bad I  
didn't stick basketball  
out we could have  
been team mates  
for the second year  
in a row. That would  
have been fun, but I  
guess I'm just lazy.  
Maybe next year. Hope  
to see you sometime.

Friends - Nettie

Diane!  
 I sure will  
 miss your smile &  
 sweetness next year!  
 You always did brighten  
 up my day. Cherish your last  
 year at CHS. Take care.  
 Class for Julie Maurer  
 totally boring in the  
 files & brightened  
 summer

You are  
 up my  
 Diane, my  
 year at  
 Thought our class  
 was totally  
 yours, smiled in  
 together always  
 (adv. alg), a happy  
 hells & "hello's"  
 my day. Have  
 are, you a great  
 summer. See  
 next year?  
 Friends  
 and

Deane,  
I'm sure am  
that this year is  
the hard work in acct (ha ha)  
and New Frontiers? What  
a joke? When we get  
our reports cards let me  
know what your got in  
the classes, okay?  
Be have  
this summer,  
Julie

Drane

wasn't accounting.  
just trailing? Especially  
leaving early or not going  
like I did.  
Take care, and keep in  
touch. Just Me,  
Mark

lightened  
summer!

Diane,  
To a friend  
of mine I know  
I hope you know  
the answer.  
Have a wonderful  
summer & many  
happy days.
